# Adult residential care homes and nursing care homes located in Bolton and contracted to Bolton Council

The information here is intended to help individuals, their relatives, carers, and friends looking for a care home in Bolton, including those making their own private arrangements with a care home.

You are strongly recommended to read Bolton Council's [Paying for Residential and Nursing Care](#) document which explains in detail how care home placements are funded before reading the rest of this document.

All registered care homes within Bolton that have a contract with Bolton Council and provide care for those aged over 18 are shown here.

The care homes are grouped into general age ranges for residents, although homes have some flexibility about the actual ages of residents that they may accept. The table below is split into the following colour coded sections to help you identify the right care home for you or your relative:

	Residential care homes
	Care homes with nursing (which may also provide residential care)
	Care homes for younger adults

The current older people care home vacancies in the borough are shown on Bolton Council's [Care Count System](#).

It is recommended that you contact the care home that you may be interested in and speak to the homeowner or manager directly. Prices charged to residents who fund themselves may differ to those funded by Bolton Council, you will need to confirm with the homeowner or manager the exact price for the kind of placement you are looking for.

For placements which are commissioned by Bolton Council the table below indicates whether the homeowner or manager will accept a contract with Bolton Council at the standard fee rate without requesting an additional top up fee. The fee rates paid by Bolton Council for placements in the borough are shown under the Care home fee section of the website [here](#).

The process for arranging a top up fee is explained in [Paying for Residential and Nursing Care](#). For all placements funded by Bolton Council you will need to confirm with the homeowner or manager the exact price, in consultation with Bolton Council, when commissioning the placement. You will need to ask if a top up fee is required when choosing a care home.

In the table below the column on the right "Placements accepted at the Local Authority rate" shows if the home accepts placements at the Bolton care home fee rate, also shown is if top ups are required on some or all placements at the care home.
